For a city so many hundred miles away from the scene of the contests, the base ball series which is being played between the Pittsburg Nationals and the Boston Americans for the world's championship, is attracting unusual attention here. Each evening a crowd awaits the news from the "Times" bulletin. If it's Pittsburg that won there is a groan from the crowd; if it's the other way there are war-whoops. It's very easy to see where the sympathies of local sportsmen lie.

While one of Smith Bros.' teams was standing in front of M. G. Sawyer's house on Franklin street this forenoon the horse became frightened and ran down the hill to Elm street where it was stopped. The cross bar and one shaft were broken, caused by coming in contact with an electric light pole. The City Fish Market horse, while coming down the Franklin street hill, stepped on a rolling stone and fell down. This horse was just getting to its feet when the first runaway passed, barely escaping a collision.

After this they returned to the church and witnessed a charming little operetta, "Fairlyland." At the close of the operetta The Gleaners went their way, agreeing that Misses Darling and Hunter were most charming hostesses.

ONE TEASPOONFUL OF

Rexall Cherry Juice Cough Syrup

Will stop a coughing spasm. One bottle will cure any cough. Coughs are due to an inflamed condition of the membrane of the throat. The action of Rexall Cherry Juice Cough Syrup is exerted directly upon the mucous membranes which line the throat and air passages. This specific action causes an increased flow of the gland secretion which bathes the inflamed parts. Children take it without coaxing because of its very pleasant taste.

These are facts and to prove our unbounded confidence to you we positively guarantee every bottle to cure, and if it does not give satisfaction come back and get your money. It belongs to you and we want you to have it. Remember that your cough today may be pneumonia tomorrow. You want a remedy that will cure your cough quickly, and Rexall Cherry Juice is the article.
